Subj: LETTER OF RECOMMENDATION FOR ARBEL L. MEDINA

1. Arbel L. Medina worked directly for me from March 15, 2011 to April 25, 2012. During this time, I can personally attest to the fact that he possesses a great deal of integrity, a strong work ethic, and an uncommon level of moral courage. It was sincerely my pleasure to work with him for the year he was stationed with me. Any employer would be privileged to have him in their employ.

2. Throughout his time working in my office he proved proficient in a wide range of clerical and administrative duties. He continually exemplified willingness and initiative to work to his fullest potential. He effectively communicated to his fellow co-workers, all while making it a pleasure to work with him.

3. For any questions concerning this letter of recommendation, please contact Sgt Christopher Doyal at 845-563-1997, or Christopher.doyal@usmc.mil.
