Dear Dr. Abdulhaqq

Re: Arbel Medina

I am writing this letter of reference with regard to Mr. Medina whom I have known for the past year. Mr. Medina is a mature and studious person who undertakes his task with diligence and precision. He is highly attentive when it comes to details and interactions with people. His manner is courteous and professional at all times. Mr. Medina possesses a passion for learning and adaptability. Mr. Medina is intelligent yet not too pretentious to ask questions that make all the difference in the work environment. It is with great pride and confidence that I recommend Mr. Medina as an exceptional candidate for employment.

Should you have any questions, please feel free to call.

Regards.
